After Philosophy | The MIT Press After Philosophy provides an excellent framework for understanding the most important strains of current philosophical work in North America, England, France, and Germany. The selections from the work of fourteen contemporary philosophers not only display the multiplicity of approaches being pursued since the breakup of any consensus on what philosophy is, but also help to clarify this proliferation of views and to spell out today's basic options for doing, or not doing, philosophy today. Philosophy - Wikipedia This division is not obsolete but has changed. Natural philosophy has split into the various natural sciences, especially astronomy, physics, chemistry, biology, and cosmology. Moral philosophy has birthed the social sciences, but still includes value theory (including aesthetics, ethics, political philosophy, etc. Reading the Figural, or, Philosophy after the New Media ... Paradoxes of the Visual, or Philosophy after the New Media To understand the "figural as a transformation in the order of discourse, why is it necessary to turn to the recent history of philosophy (Lyotard, Derrida, Deleuze, and Foucault)?.

Philosophy after Friendship â€” University of Minnesota Press At the center of Philosophy after Friendship is the persona of the friend, together with the idea of friendship, on which the democratic ideals of consensus, fraternity, and equality are based. Lambert argues that the vitality of this conceptual persona, originated by the Greeks, has been exhausted by centuries of war. Reading the Figural, or, Philosophy after the New Media ... In Reading the Figural, or, Philosophy after the New Media D. N. Rodowick applies the concept of "the figural" to a variety of philosophical and aesthetic issues. Inspired by the aesthetic philosophy of Jean-François Lyotard, the figural defines a semiotic regime where the distinction between linguistic and plastic representation breaks down. What's Next? Death and the Afterlife | Philosophy Talk After some debate of reasonable and unreasonable expectations, John's curiosity about what an afterlife might be like is spiked, and the pair decides to explore the topic further. John and Ken introduce Richard Swinburne, Emeritus Professor of Philosophy at the University of Oxford and author of Mind, Brain, and Free Will.

After Macalester - Philosophy - Macalester College Michael McNulty â€™08 is a PhD student in the logic and philosophy of science program at the University of California, Irvine. Joseph Reich â€™08 is in the Ph.D. program in philosophy at Ohio State University. Thinking like a Mall | The MIT Press Can there be environmental philosophy after the end of nature, a philosophy without romantic idealization of an authentic natural order? Steven Vogel's brilliant new book, Thinking like a Mall, offers just such a philosophy. It is the environmental philosophy for our time. Philosophy: The Athenian Philosophers: Socrates, Plato ... Socrates was then put to death in 399 BCE, not by the Rule of Thirty, but by the newly reinstated and corrupt Athenian democratic system. Plato gave up all political aspirations after this tragedy, and pursued instead a career of travel and philosophy.

Hyperobjects â€” University of Minnesota Press Moving fluidly between philosophy, science, literature, visual and conceptual art, and popular culture, the book argues that hyperobjects show that the end of the world has already occurred in the sense that concepts such as world, nature, and even environment are no longer a meaningful horizon against which human events take place.
